

# introducing the MIDNIGHT MUSIC MEMBERSHIP COMMUNITY

The Midnight Music Membership Community is your music teacher's go-to hub for technology-focused professional development that was specifically created for music educators.

It's designed for teachers of all skill levels - from self-proclaimed 'technophobes' to intermediate and advanced tech users.

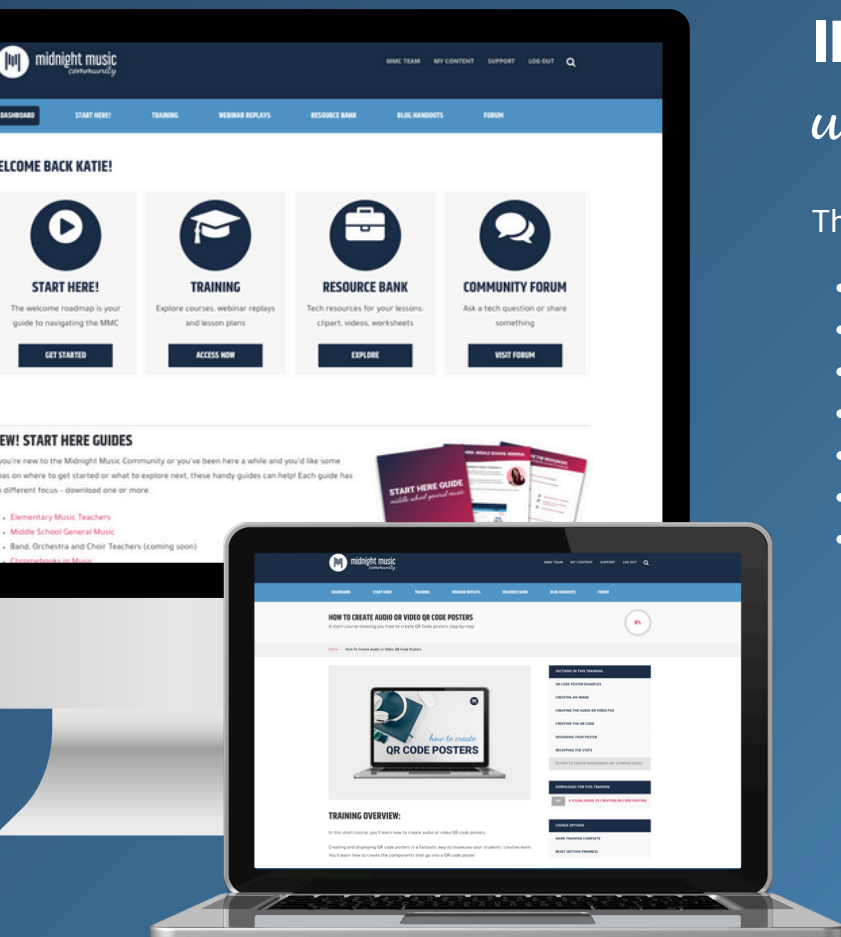

## INSIDE THE MEMBERSHIP *what's included?*

The Midnight Music Community features:

- step-by-step **training** for all skill levels
- world-class online **courses**
- live monthly **webinars**
- creative tech-based music **lesson plans** ideas
- **graphic resources** for teaching materials
- **advice** from tech experts in a private forum
- **connections** with music educators from around the world

"After teaching music for 30 years, Midnight Music has helped me refresh my lessons & excite my students."

**Deborah Gutowski**  
*music teacher*

# WHAT MUSIC TEACHERS *are saying*

"I'm stopping now to say how much the **Midnight Music Community has been a benefit** to me in my practice.

If I listed all the lessons that I used directly from the site this note would be LLLO-000-00-ONGGGG!!! Thank you thank you thank you!

You allow me to be the hero again and again with my students and peers."

**Mike Helton**  
*member*

"Brilliant training that is truly actionable. Lots to take away."

**Rebecca Pericleous**  
*webinar attendee*

"The instructions were clear and presented in such a way that helped me feel confident that I could do this!"

**Argean Vokes**  
*webinar attendee*

"Please do yourself a favor and sign up for a Midnight Music training! It is worth every minute!"

**Mary Collins**  
*music teacher*

"Good quality professional development is hard to come by for music educators, and Midnight Music always has some of the best to choose from."

**Holly Sowell**  
*webinar attendee*

"Everything is so clearly laid out, concise, and actionable. Thank you for offering these PDs!"

**Jennifer Patrick**  
*music teacher*

"Relevant practical training, super user-friendly and brilliantly explained."

**Susan Mears**  
*music teacher*

"This is a valuable resource with everything all in one place! What a wealth of knowledge! This is useful to music teachers, ensemble directors, and music teachers of all sorts!"

**Heather Rentz**  
*music teacher*

"Absolutely the best training in educational music tech!"

**Laura Blake**  
*music teacher*
